Mr. Malcolm's Mathemaniacs!

March 8 and 9, 2018
at 10:30am

Professor Malcolm hosts a special class on all things Math. There will be problems and mysteries to solve. Who would ever have thought that numbers could be so much fun? Professor Malcolm thought so!!! We will bring word problems to life with fun and music! Come be a part of the Mathemaniacs Team....because we will need help from the audience. You may even win a prize or two!!!

Ideal for grades 2 -5. We will cover addition, subtraction, multiplication, division, fractions and decimals.

Group tickets are \$7 each or \$6 for groups over 25 people.

Reserve today! Call Jen at 609-647-3137
